

Student Council

The student council is a voluntary student association whose main responsibility is to represent the students of Euroacademy.

What student council does?

- Is the mediator between the board of the school and the student body
- Organise various entertainment events
- Help students to get a discount at Sparta sports club
- Help students to find a solution to various problems related with school
- Represent Euroacademy at various educational and promotional events

How to become a member?

You can apply for basic membership at any time. In every spring are the student council elections with all students studying at Euroacademy eligible for running for office.

Send your application to esindus@euroakadeemia.ee with the following:

- Your photo
- A short overview of yourself
- Reasons for applying
- Your specialty and year of studies
- Contact information

The first application round is followed by an election period when all students can vote for their favourite candidate. This is followed by a student council meeting counting all the votes and also electing the next chairman and deputy chairman for the next academic year.

In case of problems, good ideas or messages you can let the council know by:

- posting on [Euroakadeemia Facebook](#) page
- emailing to esindus@euroakadeemia.ee
- leaving a message in the mailboxes in the building lobby and near by student council room .

The student council is located on the II floor of the building, room no 203.
